Storyteller is a Pyrenees-style cave aged sheep's milk cheese made with 100% raw sheep's milk sourced from the Central New York Dairy Sheep Milk Producers. Storyteller is aged in traditional basket-weave molds for at least six months. Its creamy paste, earthy aroma, balance of nutty and grassy flavors, and a lingering/long finish, make it an ideal representation of sheep's milk cheese.

Bayley Hazen Blue is named for an old military road commissioned by George Washington during the Revolutionary War. Bayley has developed a loyal following because of its fudge-like texture, toasted-nut sweetness, and anise spice character. The paste is dense and creamy, with well distributed blue veins. The usual peppery character of blue cheese is subdued, giving way to the grassy, nutty flavors in the milk.
